CAREER OBJECTIVE

Aspiring Software Developer with a strong foundation in web and mobile application development, eager to apply technical knowledge and practical experience to real-world projects. Skilled in Java, Python, PHP, Flutter, and full-stack development with a passion for creating efficient, user-friendly, and scalable applications. Looking for an opportunity to enhance my skills, contribute to organizational growth, and build a successful career in the software industry.

INTERNSHIPS

Web Developer Intern | Mysoftway technology | [CERTIFICATE](#)

May-2025

Selected Web Development to strengthen my skills in designing and developing responsive web applications. Gained hands-on experience in HTML, CSS, JavaScript, and PHP while working on UI development, API integration, debugging, and performance optimization. Contributed to building user-friendly and efficient web solutions in a collaborative environment..

Flutter Developer Intern | Stromsoft technology | [CERTIFICATE](#)

May-2025

Chose Flutter Development to enhance my expertise in cross-platform mobile application development. Acquired practical knowledge in Flutter framework, UI component development, application optimization, and responsive design. Contributed to developing scalable and user-centric mobile applications while improving problem-solving and teamwork skills.

PROJECTS

RetinaSense — Diabetic Retinopathy Detection System

March 2027- Present

End-to-end DR severity detection using EfficientNet-B4 + ResNet-50 ensemble on 19,928 retinal images; 95.3% accuracy with Grad-CAM/SHAP explainability and FastAPI + React deployment. *Python · PyTorch · OpenCV · FastAPI ·*

ProjectVault | [GITHUB](#) | [Check Here](#)

August 2025

A responsive web app built with **HTML, CSS, JS, Python**, suggesting Project ideas based on domain or keywords by using **ARXIV** API key.

EduQR | [GITHUB](#)

March 2025

Full-stack web-app using **HTML, CSS, Java Script, MySQL**; features include **QR code generation and scanning** and also performing **CURD** operation.

Carrez | [GITHUB](#)

July 2024

Full-stack Web E-commerce with **PHP, HTML, CSS, JS, MySQL** to rent a car and add cars on rent; integrated **Login authentication feature and Interactive UI**.

EDUCATION

Bachelor of Technology in Computer Science and Engineering

August 2024 – 2027

Sharad Institute of Technology and College of Engineering Yadrav, Ichalkaranji.

Current CGPA – 8.02

Diploma in Computer Engineering

June 2024

Sharad Institute of Polytechnic Yadrav, Ichalkaranji

Percentage –83.71

SSC

June 2021

Vinayak Highschool Shahapur, Ichalkaranji

Percentage – 88.60

SKILLS

Languages: JAVA, Python, php

Tools: Git & GitHub, MYSQL, ChatGPT, Claude.

Platforms: Visual Studio Code, Collab, IntelliJ IDEA.

Soft Skills: Leadership, Communication, Quick Learner.
